

FAECAL ODOUR ELIMINATOR®

Combat Flatulent Malodour

FAECAL ODOUR ELIMINATOR eradicates faecal, urine, malodour and any noxious odour by using Ruhof's molecular modification system.

F.O.E.® does not mask the odour it actually changes the molecular structure of foul emissions into a harmless, odourless gas.

Using F.O.E.® before and after a procedure or whenever noxious odours occur ensures a pleasant environment for nurses, physicians and patients.

Guaranteed to eliminate faecal, urine and malodour odours.

F.O.E. Tropical is also effective on all other foul odours.

With F.O.E. Tropical, staff and patients are assured of a pleasant environment.

Tropical
